

Instant power for everyone on-the-go. Perfect for extended operations/scene management, traveling or whenever you need to charge your Streamlight USB rechargeable flashlights or mobile devices. It's also a flashlight to light your way.

Durable lithium ion battery rechargeable up to 500 times; fully recharges in 8 hours

Very efficient with low self-discharge (LSD) - holds charge up to 3 months

Built for professional use - high-impact, super-tough, nylon polymer construction

Tethered cover prevents loss  
Cover snaps in place to protect USB connector - sealed for water-resistance; power button is protected from inadvertent actuation

**5,200 mAh of power!**

Provides capacity to recharge a multitude of devices

Built-in flashlight provides back up light

Charges most USB products with micro-USB input:

- 4+ full charges for Streamlight Stylus Pro USB, Clipmate USB and Double Clutch USB
